The Wish Town comes alive with SAYA Piazza – the superhit idea of shopping in Sector 131 on Noida Expressway. Being the one and only exclusive, organised plaza in the vicinity, SAYA Piazza is turning a new page in retail therapy and entertainment for 90,000 families in the catchment area, which is estimated to be around 2 lakh footfalls. And offering commercial spaces with exclusive units for outright sale and lease assistance for investors. Little wonder, SAYA Piazza is certainly the climax of all blockbuster shopping destinations in town.
